***ALL STAR* Vacation Homes earns coveted AAA Triple Diamond Award**

(Kissimmee, Fla.) – ***ALL STAR*** Vacation Homes has earned the well-recognized AAA Triple Diamond rating, the highest available AAA rating for the vacation home industry.

“Earning a Diamond Rating means that a property has undergone a rigorous evaluation process,” said Michael Petrone, Director, AAA Tourism Information Development. “AAA’s Diamond Rating System is the most respected restaurant and lodging rating system in the industry. Having a Diamond Rating tells travelers and guests about the quality of facilities and services they can expect.”

“It is an honor for us to receive the Triple Diamond Award,” said Steve Trover, CEO & General Manager of ***ALL STAR*** Vacation Homes. “AAA is a highly respected organization, and we are pleased to have earned this award. It shows how much hard work our staff & management has put forth to provide the most upscale vacation homes in Central Florida.”

AAA evaluates more than 44,000 properties each year. To be considered for AAA approval and rating, lodgings and restaurants undergo a thorough inspection by one of AAA’s 65 full-time professional evaluators. As North America’s largest motoring and leisure travel organization, AAA provides nearly 47 million members with travel, insurance, financial and automotive-related services. Since its founding in 1902, the not-for-profit, fully tax-paying AAA has been a leader and advocate for the safety and security of all travelers.
