**ALL STAR VACATION HOMES SAVES TRAVELERS UP TO \$900 OR MORE
WITH 'STAY 5 GET 2 FREE' VACATION RENTAL SPECIAL**

Taking advantage of this Orlando vacation special gives travelers increased savings on top of the values they already get by renting a vacation home and at a time when crowds are traditionally lighter at popular Central Florida attractions

Kissimmee, Fla., March 24, 2009 – ALL STAR Vacation Homes is pleased to announce its 'Stay 5, Get 2 Free' Orlando vacation special. Vacationers reserving one of their featured Disney area vacation home rentals for 7 nights during select travel dates will only pay for 5, amounting to 2 free nights with a savings of up to \$900 or more.

Travelers can choose from several featured vacation rentals, ranging from 3 bedroom town homes to 7 bedroom vacation homes, with luxury amenities like private pools and spas, home theaters, game rooms and computers with high speed and wireless Internet access, among many others.

Travel dates for the special run April 19, 2009 through June 13, 2009 and August 15, 2009 through December 18, 2009. During these dates, vacationing families and groups traditionally experience smaller crowds at Orlando area attractions, meaning more time to enjoy everything Central Florida has to offer.

In addition to the tremendous savings their 'Stay 5, Get 2 Free' vacation special provides, ALL STAR Vacation Homes is also offering free pool heat plus free Walt Disney World® and other attraction ticket upgrades with each reservation.

On top of these extraordinary Orlando vacation home deals, travelers also receive many inherent values when renting an Orlando vacation home, including:

- 1. Room for everyone without the added cost.** Ranging from 2 bedroom condos to 7 bedroom homes that sleep from 4 to 16 people comfortably, vacation home rentals can save families hundreds of dollars or more on booking multiple hotel rooms to accommodate group size.
- 2. Fully equipped kitchens that present tremendous savings versus dining out.** With vacation rentals, travelers have the choice to eat when and where they want by making their own meals – all at a fraction of the cost of dining out.
- 3. In-home and community entertainment options as an alternative to costly vacation activities.** Going the vacation home route also gives families a variety of entertainment options. With amenities like private pools and spas, home theatres and game rooms plus resort community amenities like large swimming pools, fitness centers and children's playgrounds, the savings of staying in versus going out every day can add up fast.

"There's never been a better time to visit Central Florida," said Steve Trover, CEO, ALL STAR Vacation Homes, "And staying in a vacation home is the best way to get the most out of your vacation dollar."
