**VACATION HOMES MAKE ORLANDO  
SPRING BREAK ACCOMMODATIONS AFFORDABLE**  
*ALL STAR Vacation Homes Provides Spacious Luxury and Savings  
For Budget-Conscious Families*

**Kissimmee, Fla., February 5, 2009** – This year, travelers can make spring break vacation in Orlando, Florida a reality by choosing the built-in value and special savings that ALL STAR Vacation Homes provides.

As travelers contemplate the present economy, finding a way to take a vacation to Central Florida this spring may seem challenging, but vacation home rentals present an affordable choice that provides a wide range of value and savings.

With vacation homes, families are able to stay together under one roof versus renting multiple hotel rooms, saving them up to hundreds of dollars. Vacation homes also give travelers extra room to relax with spacious living areas and multiple bedrooms; the option of cooking their own meals in fully-equipped kitchens; plus a host of luxury amenities not available in hotels like private pools and spas, home theatres and game rooms.

ALL STAR Vacation Homes features a selection of over 170 Orlando vacation home rentals that suit all budgets, tastes and groups. Sizes range from two and three bedroom condos and town homes to up to seven bedroom private pool homes.
