**There's No Place Like a Vacation "Home Away  
From Home" for the Holidays in Orlando**

*Vacation home rentals allow Central Florida visitors to enjoy luxury, service and comfort that can't be found in a traditional hotel room this holiday season*

**ORLANDO, Fla. (December 10, 2007)** – As the holiday season quickly approaches, family and friends traveling to Orlando can experience the togetherness of gathering under one spacious roof by opting to stay in a private, yet affordable, luxury vacation home rental.

A family-friendly alternative to hotel rooms, this option reveals a distinctive way to bring family and friends together for the holidays. Leading Orlando vacation home rental provider ALL STAR Vacation Homes offers over 150 private home rentals all within five miles of Walt Disney World, providing year-round and seasonal amenities, specials, and accommodations targeted to visiting families.

"Our homes provide guests with a more relaxing, togethering, and cost-effective alternative when visiting Orlando during the holidays. Vacationers no longer need to miss a Christmas meal when traveling away from home," explains Steve Trover, CEO of ALL STAR Vacation Homes. "Many guests choose vacation homes and condos for their full-sized kitchens and living areas, which allow families to carry out their favorite holiday traditions, like helping Mom and Grandma make their homemade cookies, or gathering together to watch the family's favorite holiday movie."

The magic of Christmas time in Orlando, renowned for its holiday festivities, is complimented for vacation home visitors this year with an opportunity to reserve a fully decorated, full-sized Christmas tree prior to check-in. Multiple styles, decorations and packages are available, providing a vacation home centerpiece that can be up to seven feet tall.

ALL STAR also offers complimentary attraction ticket upgrades, allowing families to visit Orlando's nearby theme park celebrations. When the day is through, guests can wind down together with a dip in each home's private, heated pool and spa, a \$150 value that is offered free with any stay this season. Recommendations for a pre-arrival grocery delivery service are also available upon request.

Private homes to condo and town home rentals range in size from two to seven bedrooms, each boasting multiple private bathrooms ideal for families with children of varying ages. Children and teens can enjoy some of the homes' in-home arcade rooms, which often include a billiard table and stand-up arcade machines, or can gather around a bowl of popcorn in a private cinema-style home theater room, large enough for the whole family and then some.

"ALL STAR is dedicated to hospitality, and we want to ensure that our guests truly enjoy the holiday season just as they would at home," states Trover.
