VACATION HOMES PROVIDE SPACIOUS, AFFORDABLE FAMILY ACCOMMODATIONS IN FLORIDA'S TOP SPRING BREAK DESTINATION
ALL STAR Vacation Homes Offers Spacious Accommodations For Families of All Sizes and Budgets

Kissimmee, Fla., December 14, 2006 – This spring, parents, grandparents and children can reconnect in Orlando, Florida, in a spacious, luxurious and comfortably affordable ALL STAR vacation home.

With the rising cost of airfare, attraction tickets and gas prices on the minds of many spring travelers, luxurious accommodations while traveling to popular Central Florida can seem out of reach, but families can expand their options without stretching their budget when they consider a vacation home rental.

With a vacation home, families can gather under one roof, saving the costs associated with renting multiple hotel rooms. From two- and three- bedroom condos and town homes to private, seven-bedroom pool homes starting at just \$119 per night, ALL STAR Vacation Homes features a wide variety of affordable vacation home rentals. Homes include luxury amenities like computers with unlimited Internet access, DVD players or VCRs in every bedroom, plasma TVs, private swimming pools with spas, game rooms with billiard tables and arcade games, cinema-seating home theaters and fully-equipped kitchens.

“Many families choose ALL STAR homes and condos for their fully-equipped kitchens,” said Sara Moore, vice president of marketing, ALL STAR Vacation Homes. “Parents can make kid-friendly snacks and meals, providing a healthier and more cost effective alternative to eating out.”

This spring, staying with ALL STAR Vacation Homes becomes an even greater value with the ALL STAR Spring Travel package, featuring free Disney ticket upgrades; a complimentary heated pool and spa, a \$300 value. With a seven night or greater reservation, families can enjoy a free midsize rental car, further easing the hassle of trekking kids back and forth from park to park. If a car is not needed, guests are eligible for a \$100 gas or grocery gift card that can be substituted for the rental vehicle.

In addition to their tremendous value, all ALL STAR homes are located within just four miles of Walt Disney World and near Central Florida’s other attractions such as Universal Studios and Sea World, making it easy for visitors to take a break and return to their vacation home throughout the day.

Each property is also located within two miles of the ALL STAR Guest Services Center where visitors can borrow current movies and videos games, visit an Internet café and have the ALL STAR staff available to assist with any needs or special requests like arranging catering, attraction tickets and rental cars.

“ALL STAR differentiates itself from other vacation home companies by featuring the highest standards in accommodations and guest service,” said Steve Trover, chief executive officer, ALL STAR Vacation Homes. “Vacation homes are the best choice for families looking for an easy and cost-effective way to visit Central Florida this spring.”
