**VACATION HOMES PROVIDE ELEGANT, AFFORDABLE
ACCOMMODATIONS IN POPULAR FLORIDA DESTINATIONS**
ALL STAR Vacation Homes Offers Spacious Accommodations on any Budget

Kissimmee, Fla., October 4, 2006 – With rising airline ticket prices and high gas prices, luxurious accommodations while traveling can seem out of reach. Visitors to Central Florida can expand their options without stretching their budget when they consider a vacation home rental. At ALL STAR Vacation Homes, travelers can enjoy their vacation in an elegant pool home at an affordable price.

Vacation homes are a unique option for travelers. With a vacation home, you can have a weekly rental and a larger space for extended family, friends, groups, teams, reunions and more to gather under one roof, saving the costs associated with renting multiple hotel rooms. ALL STAR's homes offer a wide variety of options from two- and three-bedroom condos to seven-bedroom pool homes starting at just \$119 a night for condos and \$199 per night for homes.

With average rates for a single hotel room near the Orange County Convention Center at approximately \$143 per night, groups can save hundreds of dollars during their visit by staying in one of ALL STAR's homes. As ALL STAR's homes and condos have fully equipped kitchens, visitors can make their own snacks and meals, making a vacation home even more cost effective and providing a healthier alternative to eating out.
